

Fast and easy online access to your imaging and reports with PocketHealth!

We are excited to offer UHN patients the ability easily to access, store, and share their medical imaging records using [PocketHealth](#)! PocketHealth is a secure, online platform outside of myUH, that allows patients to access and permanently own their diagnostic imaging and reports as soon as they're ready. A fee will apply for the transfer of images.

If you already have an account with PocketHealth please [log in here](#). If this is your first time using PocketHealth please [click here to sign-up](#).

How to access your records

1. Go to pockethealth.com/toronto to request your records.
2. Choose from a range of [flexible payment options](#). If you need [financial assistance](#), please contact PocketHealth's support team at 1-855-381-8522 or email help@pocket.health
3. Once your records are ready to view, you'll receive an email from PocketHealth with a secure link.
4. Instantly access, download and share your records
5. Your doctors can then easily view or import these records in full diagnostic quality with no software or account set-up needed.
